

REMARKS

The present *Supplemental Amendment* corrects minor typographical informalities in the *After Final Amendment* filed February 15, 2006, which was in response to the Official Action mailed November 15, 2005. As noted in detail above, the Applicants have corrected minor typographical informalities in dependent claims 57-59 and 63-67. Specifically, "display device" has been changed to "semiconductor device" which is consistent with the preamble and corresponding independent claims.

Should the Examiner believe that anything further would be desirable to place this application in better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
